

Convector

Portable Gas Heaters

Rinnai

Relax. It's a Rinnai.

Take the warmth and comfort with you.

Portable Gas Convector heaters are a highly efficient and flexible home heating solution. They are not only economical to run, but can be used in any room with the appropriate gas connection point, and stored away when not in use. Explore our range and discover the convenience and comfort of Rinnai portable heating.

Features and Benefits

- > Sleek contemporary design to suit any home
- > Fully thermostatic for convenient set'n'forget operation
- > Easy to use advanced controls
- > Remote Control featuring On/Off function and temperature control (except Enduro 13)
- > Low Emission Technology – check individual labels on each product (the more stars the better)
- > Economy Mode that gradually reduces the heat setting once the room has maintained the set temperature for 1 hour. Saves gas and saves money!

Avenger 25Plus

Capella 18Plus

Avenger 25

Dynamo 15

Enduro 13

Additional Features

Avenger 25Plus & Capella 18Plus

- > 2.0 kW Electric Boost of heat from an electric element for quick heat up and for use in rooms without a gas point.
- > Weekday & Weekend Dual Timers. Program On/Off times for both mornings and evenings with additional settings just for weekends.

Avenger 25 & Dynamo 15

- > Dual Programmable Timers. Separate morning and evening timers that offer the convenience of fully automatic operation.

Enduro 13

- > Both ON and OFF Countdown Timers. Manually activated to program the time you want your heater to turn on or off.

Capella 18Plus in Silver
